Statement of Purpose

1. To research, document, and preserve the genealogies of southeastern Virginia families.
2. To work within the scope of my training and expertise.
3. To work professionally with clients.
4. To produce accurate research and documentation.
5. To uphold ethical standards of genealogical scholarship and professional certification.
6. To maintain and improve the quality of services through continued education and training.
7. To serve the genealogical community at the local, state, and national level through involvement in pro bono and professional activities.
